

AUSA Awards

CLUB GUIDELINES

The Adelaide University Sports Association (**AUSA**) confers a number of awards each year including the following:

A Blue is the highest sporting distinction conferred by the AUSA, which can be awarded to a student of the University of Adelaide who is a member of the AUSA. It is awarded in recognition of outstanding ability in a particular sport.

Half Blue

A Half Blue is the second highest sporting distinction conferred by AUSA to a student of the University of Adelaide and is awarded in recognition of ability in a particular sport, which is not sufficient to entitle persons an award of a Blue.

Club Letters (Service and Competition)

Club Letters may be awarded either:

- as the third highest sporting distinction conferred by AUSA, in which case it shall, except in special cases, be awarded to a person who throughout such period as AUSA considers sufficient in the circumstances, has, either taken part regularly and consistently well in local competition or who has taken part well in Inter-varsity competition or Australian Universities Games and/or Championships, or
- as an acknowledgment of the rendering of conscientious service by a person to such person's club.

Club Letters are only awarded to a member of AUSA.

To be awarded any of the above awards, a nominee must satisfy both:
